**DONATIONS ARE A LARGE PART OF HOW  
WE FUND THE WORK THAT WE DO**

ANIMAL AID & ADVICE is a small  
voluntary animal welfare group based in the  
North London area and founded in 1971.

We receive no state funding and our funds  
are raised through our Charity Shop,  
Book Shop, Jumble Sales and Bazaars.  
Membership Subscriptions and Donations  
are also an important part of how we fund  
the work that we do.

We have a no-destruction policy on healthy  
animals and try to re-home as many as  
possible. We offer advice and information  
on neutering as many cats are left un-  
neutered and then become strays. FIV then  
becomes a major health issue especially for  
male cats. (See our leaflet on FIV and how  
it can affect your cat).

We offer a hands on approach to stray feral  
cats which are trapped, neutered and given a  
good health-check before being returned  
back on site.

**VOLUNTEERS** are very important to us and without volunteers we would not be able to carry on with the work that we do.

Volunteers are urgently needed in all areas of our work.

We need help in

- **Visiting** prospective homes.
- **Fostering** cats & kittens before they go to their new homes.
- **Transport** – taking cats to and from local vets for check-ups etc.
- **Fundraising**
- **Publicity**
- **Administration**
- **Volunteers** for our Book & Charity Shop – see back page for details.
- **Trapping** of shy & feral cats and kittens – training given.

**Could you be the person we are looking for?**

If you would like to volunteer or want information on any one of the above, give us a call on one of the telephone numbers printed on the back of this form.

**New members are most welcome. If you know of anyone who may be interested please pass our details onto them.**

### **ANIMAL AID & ADVICE CHARITY SHOP**
